

PRO Light USB

More compact: the smallest 3-pole world travel adapter with an integrated USB charger

The PRO Light USB ensures a simple and safe connection of 2- & 3-pole devices from Europe (Schuko & Euro) in more than 100 countries. The available power of up to 1575 W makes it unique in its application even with powerful devices such as laptops or travel hairdryers. This is the safest way of plugging in devices around the world. Furthermore, the dual USB port provides sufficient energy to charge two USB devices easily, even if another device is connected via the adapter at the same time.
